During our 2022 Fall Semi-Annual Meeting, the messengers from our Network churches approved a motion to partner with Kentucky Changers for a home repair project in Henry County. The date was set for June 23-28, 2024. As July of this year came to a close, the Changers 2023 projects in Somerset and Mayfield have been completed and the time has come for 2024 project planning to begin in earnest.

For those who are unaware, Kentucky Changers is a partnership designed to share the love of Jesus in a community by providing exterior home repairs for low-income families. The partnership is made up of the local Baptist network/association, KY Changers state organization, church student groups and construction volunteers from the state, and the local school system that provides the lodging space.

The work has already begun as we put together our local Network Changers Team to coordinate the work of our local churches. Bro. Kevin Kimes, pastor at New Castle FBC, has agreed to be our Network Changers Coordinator. Bro. Rick Downing, pastor at Pleasureville BC, has agreed to serve as his Assistant Coordinator. I am thankful for these two men and their willingness to provide leadership to our Changers Team. Additional leaders from our Network churches are also being recruited to join the team.

This Changers Project is a wonderful opportunity for our Network to fulfill its mission by assisting our Henry Co. churches as they make disciples for Jesus Christ and proclaim the grace and glory of the Father. There are several ways for your church to participate. If a church is in (or near) the Henry Co. Project area, we encourage those churches to:

- Distribute Homeowner Repair Applications to people in the church's community. These can be distributed to anybody whose home needs exterior repair but is unable to afford those repairs. The types of work requested can include painting, siding replacement, ramp or deck repair/replacement/new construction, landscaping cleanup and renewal, power washing, and other exterior work.
- Host a work crew during the week of Changers. This involves having a crew at church for Sunday morning worship, feeding the crew lunch after the service, and making and delivering lunches to the crew at the jobsite Monday through Thursday.
- Follow up with homeowners in the weeks after the work is done. This is where the true impact of Changers is experienced as churches find opportunities for continued ministry, prayer, and Gospel-centered conversations with the homeowners.

For all our churches across the Network there are other important ways to play a role in our project.

- Pray for the Henry Co. Changers Project. Pray for homeowners who need Christ. Pray for leaders as they prepare. Pray for Crew Chiefs who will lead crews. Pray for student groups that will come and work. Pray for students at Changers who need Christ. And pray for the financial resources for the project/construction materials.
- Send a group of students and leaders from your church. They will serve as crew members. They will be challenged in their faith as they work and worship together. They will meet other students. They will learn that God can use them to make an impact for Christ.
- Send men and women from your church to serve as crew chiefs, assistant crew chiefs, runners, and kitchen workers.
- Contribute financially to the project/construction materials cost. We hope to work on 12-15 homes during the project and the materials cost for those projects will run between 30,000-35,000 dollars. Churches can help provide the necessary funds by adding Changers as a budgeted item in their 2024 budget or by taking up an offering for the Changers project.

I invite you to begin praying now about how God would have you and your church be a part of the Henry Co. Kentucky Changers Project in 2024!

We want to thank the parents for a good turn out to our VBS we held in June. The average attendance was 22 children & youth. We are preparing for some sanctuary renovations the first part of August in replacing the carpet & reupholstering the pews.

God is bringing us some youth & younger families. The men of the church have been working on getting our basement usable as a youth room.

The children's director is hoping to begin in the fall on Wednesday evenings in the children & youth program a new Bible session series called "HyFi".

Bro. Wes is developing a study for Tuesday evenings on the end of times. It will present a timeline based on a pre-tribulation, pre-millennial viewpoint, but other ways of understanding the end times discussion.

They are beginning a new series by Max Lucado on Wednesdays @ 6pm.

Church Audio/Visual Equipment Swap!

Does your church have audio/visual equipment needs, but not the financial resources to acquire newer gear to be used in your church's worship services and ministries?

Does your church have good, functioning audio/visual equipment that is sitting in a closet or storeroom because you have replaced it with newer equipment?

What if there were a way for our Network churches who have good, functioning (but no longer in use) equipment to help our Network churches who need newer equipment for their ministries?

Now there is! Larry Brannin (former "tech guy" at the KBC, Crestwood BC member, and member of the NCBN Administrative Team) is coordinating a Network Audio/Visual Swap as a way for churches that have good AV equipment to bless a sister congregation that needs newer gear.

To learn more, please go to ncbnetwork.org/news-and-updates

MISSIONARY PRAYER LIST

Even though we cannot list international missionaries (in order to ensure their safety), please pray often for these brothers and sisters who place their lives in harm’s way.

We encourage you to develop your own and your church’s missionary prayer list. However, keep in mind that even putting their names on your website or in your newsletter may endanger them.

“If My people, which are called by My name, shall humble themselves, and pray, and seek My face, and turn from their wicked way; then will I hear from heaven, and will forgive their sin, and will heal their land.” *II Chronicles 7:14*

Prayer is an essential part of our support for one another. We have a Network Rotating Prayer Calendar. You are invited to pray for the following churches & pastors during the month of...

Aug		
6	Little Mount Baptist	Allan Hahn
13	Lockport Baptist	Paul Briscoe
20	Milton Baptist	Keith Abrams
27	Mt Moriah Baptist	Ryan Marcum

You can find the complete prayer calendar under the **News** tab on our website www.ncbnetwork.org/news-and-updates.

Our churches are encouraged to join the kyprays.org effort. Churches are asked to take one day each month and have a one-hour prayer gathering that day, specifically to pray for area community ministries and churches.
