-The Awake Ministries Team-

Ministry Partner Spotlight!

Communicator

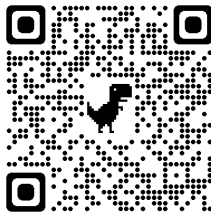

Awake Ministries was established when two organizations in Shelbyville, Kentucky with similar goals came together. We knew that

by uniting, Open Door of Hope and the Serenity Center food bank could be more effective in serving our community.

We are a non-profit organization that offers services and resources that facilitate lasting recovery from the hurts, habits, and hang ups of life. Every resource that we offer is at not cost to the people that we serve. We are completely reliant on the faithfulness of God and funding from our community to continue in this work.”

By offering support where needed, our goal is to encourage and assist members of our community, from children to seniors. It is our privilege to help unite the community in service and purpose, loving and ministering to one another.

Luis & Raquel Salazar **International Mission Trip Scholarship!**

The North Central Baptist Network is pleased to announce that they are accepting applications for the Luis & Raquel Salazar International Mission Trip Scholarship!

These scholarships are funded by the Luis & Raquel Salazar Memorial Trust for International Missions. This trust was created after the death of Luis Salazar and his daughter, Raquel, in a car accident in 2002. Luis served as the missionary for the Central Region Hispanic Ministry, helped plant Iglesia Bautista Nuevo Amanecer, and both he and his daughter, Raquel, were personally involved in short-term international missions. The Salazar family, along with generous churches and friends from the former Oldham-Trimble Baptist Association created this trust for the purpose of providing partial scholarships for church members in the association to go on short-term mission trips.

With the creation of the North Central Baptist Network, members of all our Network churches can now apply for a Salazar Mission Trip Scholarship. These partial scholarships will be awarded by the Great Commission Team. There will be two application deadlines during the year: April 15 for trips happening in the late summer and fall, and November 15 for trips happening in the spring and early summer. Go to www.ncbnetwork.org/ministries to download a copy of the scholarship application. At this same web address, there is a brochure with more history and insight related to the Salazar Memorial Trust for International Missions. If you would like to support international missions with a gift to this fund, the brochure contains information on how to do that.

Important Update on the 2023 Honduras Mission Trip!

The leadership team for the 2023 Honduras Mission Trip has had to make the difficult decision to postpone the trip until later this year. They are currently working with local partners to reschedule the trip for the latter part of the summer. Please pray that God would guide the trip leaders with His wisdom as they seek for a new date. Pray for God to call out the workers that He wants to make this trip. The team especially needs medical workers for the week in La Campa, and construction volunteers for the week in Tela. With the change of date, perhaps God is opening the door for you to be a part of this Gospel work in Honduras.

If you have questions about this trip, or would like to apply to the team, please contact Rick Lucas (ricklucas7734@gmail.com or 502-643-4461).

A Call to Church Treasurers

With over 60 churches in the North Central Baptist Network now, and with church treasurers in each of those churches going about daily or weekly financial transactions, a few of those treasurers have mentioned that it would be a good idea to share ideas and best practices among those treasurers. First, we need to build a contact list of those treasurers, so please contact Amanda Bruner at the network office (by email info@ncbnetwork.org or by phone (502)633-1198 with the church treasurer or finance officer for your church. A group email can then be initiated to make contact with each treasurer. It may also be helpful to host a Roundtable Discussion/Meeting in the next few months to have church treasurers discuss financial issues that affect all churches and to know that help may only be a phone call or email away. As we move toward more electronic transactions and less paper transactions it is important that each church continues to be a good steward of the financial resources with which God has blessed us.

MISSIONARY PRAYER LIST

Even though we cannot list international missionaries (in order to ensure their safety), please pray often for these brothers and sisters who place their lives in harm's way.

We encourage you to develop your own and your church's missionary prayer list. However, keep in mind that even putting their names on your website or in your newsletter may endanger them.

“Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God.

- *Philippians 4:6*

“If My people, which are called by My name, shall humble themselves, and pray, and seek My face, and turn from their wicked way; then will I hear from heaven, and will forgive their sin, and will heal their land.” *II Chronicles 7:14*
