Ministry Partner Spotlight!

When disaster strikes, some of the first to respond with help are Kentucky Baptist Disaster Relief volunteers.

Wherever the disaster occurs, Kentucky volunteers may be called out to help.

Kentucky has an active disaster relief program that works in concert with similar programs in other states. More than 2,500 individuals are trained as Kentucky Baptist Disaster Relief workers. Volunteers can staff feeding units designed to deliver thousands of hot meals on short notice; move in with chainsaws to help remove debris; do the dirty work of helping families remove mud from flooded homes; and provide many other disaster relief services.

If you would like to donate to the NCBN Disaster Relief scan this QR Code or visit <https://www.ncbnetwork.org/take-action> and be sure to select Disaster Relief from the drop down box.

Two Great Resources for NCBN Churches!

Communicator

As we welcome the warmer weather that comes with the arrival of Spring, I know many of our churches are making plans for summer activities like VBS and mission trips, as well as trips to youth camp. As these plans are made, please be aware that the Network has a couple of resources that might be a blessing to your event or trip.

One of these resources is the Outreach Trailer. This trailer was a ministry of the former Shelby Baptist Association and is now one of the great resources of our Network. This trailer is loaded and ready to help you with VBS, block parties, fall festivals, or other community outreach events. Equipment includes a 13X13 bounce house, cotton candy machine, snow cone machine, popcorn machine, PA system, numerous games, and much more! The trailer is available to all of our Network churches and is scheduled on a first come, first served basis. There is no fee for our Network churches to use the trailer, but a suggested \$75 usage fee helps us keep the trailer stocked with all the supplies for making snow cones, cotton candy, and popcorn. We already have two or three reservations on the calendar, so don't delay! The Outreach Trailer application and rental policy are available on our website at www.ncbnetwork.org/ministries. Please call the NCBN office at 502-633-1198 or send an email to info@ncbnetwork.org to initiate your reservation today.

The second resource I want to highlight today is the Utility Trailer. This trailer was a resource of the former Oldham-Trimble Baptist Association. It is also a wonderful resource that is available to all of our Network churches. The trailer is an enclosed 6X10 utility/cargo trailer that can be used by churches to help haul gear, equipment, and supplies for missions trips and youth camp trips. There is no fee for our Network churches to use the trailer and it is reservable on a first come, first served basis. Like the Outreach Trailer, the Application and Rental Policy for the Utility Trailer can be downloaded at www.ncbnetwork.org/ministries. Start your reservation today by calling the office at 502-633-1198 or by sending an email to info@ncbnetwork.org.

Don't Forget to Attend our Spring Meeting!

Yes, the info is on the front of the Newsletter, but I want to highlight one thing here. The Spring Meeting is not only for all our pastors and church messengers, it is also for all members of our Network churches! The breakout sessions featuring some of our ministry partners are great opportunities for church members to learn how working with these ministries can help our churches make disciples in their communities. In addition to the breakout sessions, the worship service is also a wonderful time for all of our churches to come together in unified worship to the Father above. Our Lord is worthy of our highest praise! What a magnificent witness it will be when we come together from across our Network to honor and glorify Him! Won't you come and joins us? I hope to see you there!

A Call to Church Treasurers

With over 60 churches in the North Central Baptist Network now, and with church treasurers in each of those churches going about daily or weekly financial transactions, a few of those treasurers have mentioned that it would be a good idea to share ideas and best practices among those treasurers. First, we need to build a contact list of those treasurers, so please contact Amanda Bruner at the network office (by email info@ncbnetwork.org or by phone (502) 633-1198) with the church treasurer or finance officer for your church. A group email can then be initiated to make contact with each treasurer. It may also be helpful to host a Roundtable Discussion/Meeting in the next few months to have church treasurers discuss financial issues that affect all churches and to know that help may only be a phone call or email away. As we move toward more electronic transactions and less paper transactions it is important that each church continues to be a good steward of the financial resources with which God has blessed us.

OUTREACH Trailer

North Central Baptist Network

Our trailer is equipped with a 13x13 Bounce House with Slide, a Popcorn Machine, Snow Cone Machine, Cotton Candy Machine, a Cornhole Game, a PA system, and more. Please call the NCBN Office at 633-1198 or email info@ncbnetwork.org to reserve the Outreach Trailer for your church. The Utility Trailer is an evangelistic tool provided cooperatively by the North Central Baptist Network, Shelbyville, KY. The Utility Trailer can be used to facilitate various ministries. Churches of the North Central Baptist Network (NCBN) can use the trailer for the purpose of traveling to camps or spiritual growth activities. The trailer may not be taken out the Network area without approval. Church Audio/Visual Equipment Swap!

Does your church have audio/visual equipment needs, but not the financial resources to acquire newer gear to be used in your church's worship services and ministries?

Does your church have good, functioning audio/visual equipment that is sitting in a closet or storeroom because you have replaced it with newer equipment?

What if there was a way for our Network churches who have good, functioning (but no longer in use) equipment to help our Network churches who need newer equipment for their ministries?

Now there is! Larry Brannin (former "tech guy" at the KBC, Crestwood BC member, and member of the NCBN Administrative Team) is coordinating a Network Audio/Visual Swap as a way for churches that have good AV equipment to bless a sister congregation that needs newer gear.

We are less than a month away from our 14th Annual Shelby Touched Twice! The greatest need we have is for Christ's followers to come and spend the day with a family, as Guest Shepherd. During this time you can be their friend, listen to them and their needs, pray with them, and assist them to receive their needed services. A Shepherd is just as its name suggests, the dictionary defines it as a person who protects, guides, and watches over a person or group.

There are also many areas in which you can serve. Many of you are veteran volunteers. Because of this, you would make an awesome guest shepherd. This is our most important role for the day. To make every volunteer comfortable with their role for the day of the clinic, we will give you the information which you need for your role or to guide the guests around First Baptist Church. There will be a training which will be a walking tour of the building and you will see where and how you will guide your family Clinic day. During the training, you will receive a map, an explanation of the forms, and details of the day, along with a question and answer time. This special training will be Thursday, March 23, 2023, at 6:30 pm, at Shelbyville First Baptist Church. Everyone should receive the training to learn what is new to this year's clinic.

STT has served 550 guests a year (pre-pandemic) and we would love to have 550 Volunteers to greet and share the Love of Jesus with each of them!!

The WMU has always done an amazing job of making cakes and muffins for STT Guests and Volunteers. We thank you for providing these goodies. One year we had cakes left over and took them to the food pantry to be given out as guests shop for their food. A guest's child's birthday was the same weekend as the clinic and she was so excited to have a birthday cake!

Please be in prayer as to how you can serve with us on March 25th. This is a great "mission trip" since you can sleep in your bed and serve your neighbors right here in Shelbyville. Our STT Coordinators will be willing to come to your church and talk about how you can join us.

Upcoming dates:

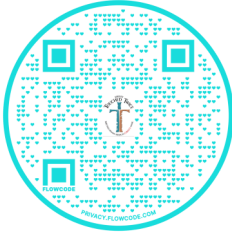

- Thurs. March 23rd, 5-8 pm Prayer Vigil at Shelbyville First Baptist
- Thurs. March 23rd, 6:30 pm Volunteer Training in Fellowship Hall at Shelbyville First Baptist
- Fri. March 24th, 7 pm Volunteer Dedication, a message from Ron Crow and music by Paul Sims. Everyone is invited to this service.
- Sat. March 24th, Volunteer Registration opens at 6 am, and Prayer time at 9 am.

To register as a Volunteer, please visit shelbytouchedtwice.com. For more information please visit our Facebook page or scan the circle QR code, it will give you links to our website and Facebook page. If you scan the square code it will take you to our Venmo link to donate.

Let's Pray!

MISSIONARY PRAYER LIST

Even though we cannot list international missionaries (in order to ensure their safety), please pray often for these brothers and sisters who place their lives in harm's way.

We encourage you to develop your own and your church's missionary prayer list. However, keep in mind that even putting their names on your website or in your newsletter may endanger them.

“Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God.

- *Philippians 4:6*

“If My people, which are called by My name, shall humble themselves, and pray, and seek My face, and turn from their wicked way; then will I hear from heaven, and will forgive their sin, and will heal their land.” *II Chronicles 7:14*
